

VINYLTECH LIMITED WARRANTY

Vinyltech Corporation warrants to the original purchaser that the pipe is free from defects in materials and workmanship and that our product is manufactured in accordance with industry standard material specifications. It is the purchaser's responsibility to carefully inspect and test the product to insure that it performs satisfactorily for its intended use. Every claim under this warranty shall be deemed waived unless made in writing and received by Vinyltech Corporation within thirty (30) days of the date the defect was discovered and one (1) year of the date of the shipment of the product.

Vinyltech Corporation makes no other representation or warranty of any kind, except for our standard warranty, express or implied, in fact or in law, including without limitation, the warranty of merchantability or the warranty of fitness for the above. The limit for our liability for failure of any of our products to meet the foregoing warranty shall be the re-supply of a like quantity of non-defective product for any material returned to us within one year of shipment and found to be defective by us, and Vinyltech Corporation shall have no other liability except the one mentioned above.

In no event shall Vinyltech Corporation be liable for any alleged negligence, breach of warranty strict liability, incidental or consequential damages, or any other theory, other than the liability set forth above. This warranty is void if the goods are damaged by the carrier or buyer, or buyer's customer. This warranty is void if the spigot end of the Vinyltech pipe is over-inserted past the stop mark.
